

L. STEPHEN LAU WATER RESEARCH ENDOWED SCHOLARSHIP

Application Deadline: April 29, 2022 for Fall 2022 Award

The scholarship was established with funds endowed to the University of Hawai'i at Mānoa by Dr. L. Stephen Lau and Mrs. Virginia May Lau of Honolulu. Dr. Lau is Emeritus Professor of Civil Engineering at the University of Hawai'i at Mānoa College of Engineering and was, from 1971 to 1990, director of the UH Water Resources Research Center.

The purpose of the scholarship is to further knowledge of Hawai'i's natural waters by providing financial assistance that may be used for anything related to costs of attendance or research.

For 2022, the amount of the award will be \$1500.

ELIGIBILITY CRITERIA

- Part- or full-time University of Hawai'i student.
- Upper division undergraduate or graduate student.
- Any discipline related to water resources in the University of Hawai'i System pursuing a minimum 4-year academic degree.

SELECTION CRITERIA

- Minimum GPA of 3.2 for undergraduates or 3.5 for graduates.
- An essay or a research proposal on any aspect of Hawai'i's natural waters and how the applicant's research or area of study is related to it.

How to Apply for Scholarships

An application form may be downloaded from www.wrrc.hawaii.edu/news-events/. Applicants must submit the application form, an essay or research proposal, and evidence of eligibility (unofficial STAR transcripts are acceptable) for the scholarship. Applications may be submitted by email to barbarag@hawaii.edu or mailed to Water Resources Research Center, University of Hawai'i at Mānoa, Attn: Barbara Guieb, 2540 Dole Street, Holmes Hall 283, Honolulu, HI 96822. Deadline for receipt of applications postmarked or emailed (**preferred**) by: **April 29, 2022.**

For additional information, contact Barbara Guieb at barbarag@hawaii.edu.
